MEMORANDUM FOR: Chief, Engineering Support Division, TSSG/NPIC

SUBJECT : Computer Training in Support of the High Precision Stereo  
Comparator

1. [ ] the contractor for the High Precision Stereo Comparator Program, has incorporated a [ ] 516 computer into the stereo comparator system. The purchase of a computer from [ ] entitles the purchaser to send programmers and maintenance people to the [ ] plant for training. [ ] is not going to exercise this option for training and has offered the Center this opportunity to get people trained.

2. IEG/PHD and PSG/AID have taken advantage of the programmer training and presently have two people attending this course at the [ ] facility [ ]

3. The opportunity is available for your division to train up to three people at [ ] computer purchase contract. The dates for the next maintenance course are 17 November to 19 December 1969. The tentative dates for 1970 are 12 January to 13 February and 23 February to 27 March.

4. If you desire to take advantage of this training opportunity, make arrangements through [ ] Chief, SC&PS/TSSG, since the Center's contract with [ ] is classified.

5. The following information is to be used in making training arrangements. The [ ] purchase order number for the computer is [ ] and the [ ] [ ]
